

Lyrics - Music makes me smile

Music makes me smile and I
Have so much fun
I clap along
I sing this song
And stop when I am done

< Clap >

Music makes me smile and I
Have so much fun
I clap along
I sing this song
And stop when I am done

< Sing - laa laa >

< Sing & Clap - laa laa >

Music makes me smile and I
Have so much fun
I clap along
I sing this song
And stop when I am done
